

Medfield Energy Committee, Buildings Pillar, 3/28/23

Committee members in attendance: Jim Nail, Andrew Jarrell, Hilli Passas, George Whiting

Committee members absent: Fred Davis

Guests in attendance: none

Topic: Green Communities Grant projects

Susan McPhee did not attend and so further discussion of these projects was tabled. Jim mentioned he had spoken with Susan last week and she reported that the deadline for applications is later in May. Jim will follow up with Susan and relay any new information and, if action is required by the committee, convene an additional meeting.

New School Building Committee: Next steps on educating School Building Committee members about Net Zero schools

Following last month's agreement to do one-on-one outreach to members, Jim presented the following assignments for committee members to reach out to school committee members for conversations about Net Zero Schools:
