

Committee to Study
Memorials Street Listing

Town of Medfield

Committee to Study Memorials Street Listings for the Town of Medfield as researched by Richard DeSorgher:

- Submitted to the Planning Board- 2008. The Planning Board would have to add the name Street, Road, Avenue, Way, etc after the researched name as they so see fit.
 - The Committee to Study Memorials is also available to do additional research for a particular part of town where a developer may be putting a road. It is the hope of the Committee to Study Memorials that they will be consulted on any proposed developments/streets so that such research can be presented to the Planning Board before street names are finalized. Those additionally researched names would be in addition to the below list.
