*Re: The Rosebay at Medfield, Pound Street, Medfield*

Dear Paul:

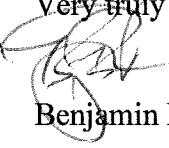

Rosebay at Medfield LP (“Rosebay”) hereby withdraws its application to the Zoning Board of Appeals (“ZBA”) for a comprehensive permit. To the extent the ZBA wishes to vote at this evening’s meeting or another future meeting to accept our withdrawal, we respectfully request we be excused from attending such meeting if the only item on the agenda pertaining to Rosebay is to accept this withdrawal.

As you know, under Massachusetts law any comprehensive permit application withdrawal is without prejudice to its potential later re-filing. We are keeping our options open to that possibility depending upon, among other things, discussions with the Housing Authority and the outcome of any new RFP process concerning the Pound Street property.

We also respectfully request that, should Rosebay submit a new comprehensive permit application, that, given the totality of the circumstances, the ZBA waive the application fee.

Thank you, and to the Board, for your consideration of the Rosebay proposal during the prior public hearing sessions.

Very truly yours,

  
Benjamin B. Tymann
