WARRANT COMMITTEE MEMBER: **JILLIAN RAFTER**

Article 20. Elementary School Feasibility Study Funding

To see if the Town will vote to raise and appropriate, transfer from available funds, or otherwise provide a sum of \$250,000 to be expended under the direction of the School Building Committee for paying the costs of a feasibility study including but not limited to, an independent comprehensive school enrollment and capacity analysis, public outreach, obtaining soil borings, topographical studies, land surveys, wetlands surveys, land surveys, wetlands surveys, preliminary site development plans, schematic designs, architectural and engineering designs, cost estimates, independent enrollment studies, construction alternatives, and any incidental or related services, for the addition and/or renovation to or replacement of the Dale Street Elementary School, located at 45 Adams Street, Medfield, MA 02052; or do or act anything in relation thereto.

POSITIVE MOTION:

Move that the Town appropriate **\$250,000** from certified free cash to be expended under the direction of the School Building Committee for paying the costs of a feasibility study for purposes as set out in the Warrant.

Summary: *This article would appropriate \$250,000 to be expended under the direction of the newly formed School Building Committee as they work towards a new Elementary School Project. This appropriation will be transferred from available certified Free Cash and will increase the total available funds to \$500,000. This amount is not expected to fully fund a new feasibility study but will allow the School Building Committee to keep moving forward.*
