

## **ARTICLE 30**

### **WARRANT COMMITTEE MEMBER: ROBERT SLINEY**

#### **Article 30. Citizens Petition: Creation of Groundwater Protection Committee**

To see if the Town will vote to create a Groundwater Protection Committee that would serve to protect the quality and sustainability of Medfield's water resources. The committee would be comprised of five or more members with expertise in a variety of related fields, including but not limited to water management, conservation, engineering, environmental science, public health, and/or communications.

In collaboration with Town administration, other Town boards and committees, and watershed protection partners, the Groundwater Protection Committee would: identify and review issues that impact Medfield groundwater; promote groundwater preservation and protection; broaden greater citizen understanding of groundwater-related issues; and help to make recommendations to the Town, as needed, for protection strategies. The Groundwater Protection Committee would serve as both an advisory and working committee to achieve stated objectives. It would also seek grant funding, as needed, to support its efforts, or take any other action in relation thereto. 00, into the designated Capital Stabilization Fund or do or act anything in relation thereto.
