Coronavirus State Fiscal Recovery Fund (FRF) Contract Addendum

(Assistance Listing Number 21.027)

Notice: The contract, agreement, statement of work, or purchase order (“Contract”) **Town of Medfield** (Contractor”) and the Massachusetts Executive Office of Economic Development to which this addendum is attached or otherwise incorporated is funded, in whole or in part, using federal assistance provided to the Commonwealth of Massachusetts by the U.S. Department of the Treasury under Section 9901 of the American Rescue Plan Act of 2021 (“ARPA”), which established the Coronavirus State Fiscal Recovery Fund (“FRF”).

In accordance with ARPA, the U.S. Department of the Treasury’s regulations implementing the FRF (31 CFR Part 35), the [Award Terms and Conditions](#), and the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 C.F.R. Part 200, the following terms and conditions apply to the Contractor in connection with its performance of the Contract.

These terms and conditions are in addition to, and in no way limit or alter, the other terms, conditions, rights, and remedies set forth in or applicable to the Contract, including those set forth in the Commonwealth of Massachusetts Standard Contract Form and Commonwealth Terms and Conditions. In the event of any conflict among the requirements applicable to the Contract, the most stringent requirements will apply.

1. Eligible Costs.

- a. The Contractor agrees to incur only those costs that are necessary, reasonable, and directly allocable for the purpose of completing the contracted project or program.
- b. Indirect costs are not an eligible use of funds received under this Contract.
- c. Costs may be incurred only during the period of this Contract.

2. Financial Management.

- b. As such, the Contractor is required to verify, and by executing this Contract the Contractor hereby certifies, that neither it nor any of the Contractor’s principals are excluded, disqualified, or otherwise ineligible (as such terms are defined at 31 CFR Part 19, Subpart I) for participation in a covered transaction. Such parties are ineligible if listed on the government-wide Excluded Parties List System in the System for Award Management (SAM) in accordance with 2 CFR Part 180 and U.S. Department of the Treasury’s implementing regulations at 31 CFR Part 19 that implement Executive Orders 12549 and 12689, “Debarment and Suspension.”

- c. The Contractor must comply with 31 CFR Part 19, subpart C, and shall include a requirement to comply with these requirements in any lower tier covered transaction it enters into under this award.
- d. The Contractor shall have an ongoing duty during the term of this Contract to disclose to EOHEd on an ongoing basis any occurrence that would prevent the Contractor from making the certifications contained in this Section 1. Such disclosure shall be made in writing to EOHEd within five (5) business days of when the Contractor discovers or reasonably believes there is a likelihood of such occurrence. This certification is a material representation of fact relied upon by EOHEd. If it is later determined that the Contractor did not comply with 31 CFR Part 19, subpart C, in addition to remedies available to EOHEd, the Federal government may pursue available remedies, including but not limited to suspension and/or debarment.

4. Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment (2 CFR § 200.216).

- a. Pursuant to 2 CFR §200.216, EOHEd is prohibited from using FRF funds to procure, obtain, or enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.
- b. As described in Public Law 115-232, section 889, “Covered telecommunications equipment or services” is:

 - iii. Telecommunications or video surveillance services provided by such entities or using such equipment; and
 - iv. Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.
- c. The Contractor agrees that it shall not provide covered telecommunications equipment or services in the performance of this Contract.
- d. A compilation of prohibited telecommunications and video surveillance equipment and services entities may be found in the System for Award Management (SAM) excluded parties list.

- e. Contractor shall take all reasonable steps necessary to protect personally identifiable information collected during the performance of services required by this Contract and prevent the submission or publication of such information.

6. Remedies for Contract Violation. *[Required for contracts exceeding \$250,000]* Should the Contractor violate any of the terms of the Contract, EOHED may pursue all available administrative, contractual, or legal remedies, as well as any applicable sanctions and penalties.

7. Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). *[Required for contracts exceeding \$100,000 that involve the employment of mechanics or laborers]* To the extent the Contract involves the employment of mechanics or laborers (as defined in 29 CFR Part 5 and including watchmen and guards) for any part of the contract work, the Contractor agrees to the following terms:

- a. *Overtime requirements.* The Contractor shall not require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
- b. *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (a) of this section, the Contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, the Contractor and any such subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (a) of this section, in the sum of \$29 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (a) of this section.
- c. *Withholding for unpaid wages and liquidated damages.* EOHED shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other

Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b) of this section.

- d. *Records.* The Contractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three years from the completion of the contract for all laborers and mechanics, including guards and watchmen, working on the Contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid. The records to be maintained under this paragraph shall be made available by the Contractor for inspection, copying, or transcription by authorized representatives of EOHED and the Department of Labor, and the Contractor will permit such representatives to interview employees during working hours on the job.
- e. *Subcontracts.* The Contractor shall insert in any subcontracts the clauses set forth in paragraph (a) through (d) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (a) through (d) of this section.
