Hello Eileen, Gus & Pete,

I hope you are all faring well this week...Happy Halloween!

I am "replying all" to Dr. Corrodi's email below to express my appreciation to her for her commitment to serve as our fifth Board of Health member. Dr. Corrodi, Thank you very much for your thoughtful email below, your commitment to serve to share your medical expertise with children and adolescents will be invaluable, as will your decades long experiences and perspectives as a parent of three young adult children raised in the Medfield Public Schools!

Dr. Corrodi supported so many Medfield- and other area towns - children and families as a highly experienced and compassionate Pediatrician. After our Medfield Day outreach, I am communicating for myself, Kathy and Dr. Jack Cadigan to confirm we fully endorse Dr. Corrodi's appointment. I am unsure if this email was shared with Jeff Kane, I would expect based on our previous board discussions during the past year, that Jeff would welcome an experienced Pediatrician to complete our board.

As BOH chair I am available to provide any additional context which may be needed to move forward, as are Kathy and Dr. Cadigan.

Thank you all very much for your time ~

Carol

Dear Ms. Murphy, Mr Murby and Mr. Peterson,

My name is Colleen Ryan Corrodi MD and I have lived in Medfield for 28 years. My husband and I raised our three boys here and they attended Medfield Public Schools. I am a retired pediatrician and recently became aware of an opening on the Board of Health. I do not have any specific public health experience but I was in private pediatric practice in Walpole for many years. In that role I was obviously aware of and helped implement many public health policies and initiatives. I have also followed and supported some of the recent accomplishments of the Board such as the

installation of AEDs at the sporting venues and the increase in our town's first responder level of response capability. If you feel like my experience could be an asset to the board, it would be an honor to serve the town in that capacity.

I would be happy to talk with any of you about my experience. I look forward to hearing from you.

Sincerely,

Colleen R Corrodi

Subject: 375 Anniversary Parade Committee

To: Marion Bonoldi <mbonoldi@medfield.net>, Tracey Klenk <tklenk@medfield.net>

Hi Marion,

After a great deal of thought, I have come to the conclusion that I need to resign from the 375 Anniversary Parade Committee.

Lucille and I are in the process of buying a 2nd home in Wolfeboro, NH near Lake Winnepesaukee. We have been spending a good deal of our time at the Lake at her sister's home in the neighboring town of Gilford. There is not enough room in her home to handle our children and the four grandchildren as well as her children and their spouses. This purchase will allow the entire family to spend some quality time together in the coming years.

The opportunity to buy this home came up rather suddenly over the past six weeks.

The home was owned by an older woman, and will need a good amount of renovation work to get it ready for our extended family to enjoy next spring and summer. Between taking care of our grandchildren two days a week and the work needed to update this home, I am not going to have the time to devote to the committee.

I apologize for having to resign at this point in time from the committee, but I really need to focus my energies on getting this house in shape so that we can spend some significant time up in Wolfeboro with our family.

I, of course, will continue to support the efforts of the committee as you move forward.

Regards,

Mark
