

LEGAL NOTICE

HYDRANT FLUSHING

The Town of Medfield will be conducting a town-wide hydrant flushing program beginning Sunday, April 3, 2022. The work will be done between the hours of 8:00pm and 5:00am to minimize any inconvenience; however, some discoloration of water may occur during this process. In the event discoloration occurs, we advise running the cold water tap for a few minutes until the water is clear. The dates of flushing for each area are available online at www.town.medfield.net or by calling the Water and Sewer Department at 508-906-3004.
